Embed Code

Responsive Fixed

Standard : Using the standard (iframe) embed code is recommended for most cases.

```
<div style="position: relative; display: block; max-width: 960px;"><div style="padding-top: 56.25%;"><iframe src="https://players.brightcove.net/6086037557001/default_default/index.html?videoid=6145183477001" allowfullscreen="" allow="encrypted-media" style="position: absolute; top: 0px; right: 0px; bottom: 0px; left: 0px; width: 100%; height: 100%;"></iframe></div>
```

Advanced : Advanced embed code maximizes developer control

```
<div style="max-width: 960px;"><video-js data-account="6086037557001" data-player="default" data-embed="default" controls="" data-video-id="6145183477001" data-playlist-id="" data-application-id="" class="vjs-fluid"></video-js></div><script src="https://players.brightcove.net/6086037557001/default_default/index.min.js"></script>

7. Navigate to *Administration -> Jobs*.
8. Select *Bulk-Assign* job and click *Run*.
9. Verify the job completion status.

The screenshot shows the Brightcove Administration interface. In the top navigation bar, 'Administration / Operations /' is visible. Below it, the 'Jobs' section is active. A search bar and filter buttons for 'Enable', 'Disable', 'Run', 'Delete', and 'Priority' are present. A 'New Job' button is in the top right. The main table lists one job: 'Brightcove-BulkAssign' with a status of 'On' (indicated by a green icon). The table includes columns for ID, Status, Last Run, Execution Scope, Resources, Priority, Enabled, and Delete. A 'Refresh' button is at the bottom right of the table area.

10. Verify the video(s) assigned.

The screenshot shows the Brightcove 'Get Products' page. At the top, there's a 'Product Search' bar and a language dropdown set to '日本語 (日本)'. A table lists products, with one row for '11736753M' expanded to show its details. The expanded row shows the product name 'サマーポンバージャケット' and a list of assigned videos. Each video entry includes a 'Unassign Video' link. An 'Assign Video' button is located to the right of the video list. The table has columns for Product ID, Product Name, Video, and Options.

Product ID	Product Name	Video	Options
11736753M	サマーポンバージャケット	Video ID: 6160319423001 (m1) Unassign Video Video ID: 6159662925001 (m2) Unassign Video Video ID: 6158623139001 (m3) Unassign Video Video ID: 6160792064001 (m4) Unassign Video Video ID: 6159629309001 (m5) Unassign Video Video ID: 6156128331001 (m6) Unassign Video Video ID: 6156128331001 (m6) Unassign Video Video ID: 6146553212001 (m7) Unassign Video Video ID: 6121040122001 (m8) Unassign Video Video ID: 6107080376001 (m9) Unassign Video Video ID: 6122208462001 (m10) Unassign Video	Assign Video

2. Category (catlanding, searchResultsNoDecorator)

The screenshot displays the Mens category landing page of the Salesforce Commerce Cloud storefront. At the top, there's a banner with a brick wall background featuring a male model in sunglasses and a white shirt. A blue button on the left says 'Mens'. Below the banner are six product categories: Suits, Jackets & Coats, Shorts, Dress Shirts, Pants, and Accessories, each with a representative image. At the bottom, there are two video player cards: one for a 'Checked Silk Tie' and another for 'Brightcove Beacon Introduction Video'. The footer contains links for Locate Store, Account, Customer Service, About, and social media icons.
